Dear Parties of Record,

Pursuant to the *Ex Parte* Communication Policy of the Public Service Commission, I am emailing all parties to let them know I received a call from counsel with the South Carolina Department of Natural Resources regarding filing procedures with the Public Service Commission. I advised that I could not answer any questions or provide any legal advice. Nothing of substance was discussed. I am providing this information for the record and for the sake of transparency. Thank you to all of the parties for your attention to these policies as we proceed in this matter.
